POLLED FULLBLOOD FEMALE
Dovecote's Unbelievable

Born: **18 Mar 08** Tattoo: **DVB 2U** Reg.: **appl for**
Maple Valley Polled Bill 17H R14578(P) 129N
Sire: Maple Valley Polled Herk 77L R16389(P) 129N
MVF Osprey Gold 12E R12509T 129N
WSS Wonderboy7W R3906
Dam: MVF Miss Marmalade 86E R12514T 129N
VMB Aileen 42A R7122 129N

Birth wt. 78 lbs. It's so hard to find good U names but unbelievable is just that. Her dam calved March 16 this year and came ahead 3 weeks in '07. What's that say for a 14 year old cow. Unbelievable is bound to follow in her dams foot steps. Observed bred on 22 Aug 09 to our junior herd sire Crystal Mr Universe 38U R18215. Sells on choice with 3U - your pick. The other comes home.
Consignor: Dovecote Blondes, John & Debbie Plas, Jerseyville ON

POLLED FULLBLOOD OPEN FEMALE
Crystal Wynonna 6W

Born: **10 Jan 09** Tattoo: **PFER 6W** Reg.: **appl for**
Hanover Encore 5E R11375 129N
Sire: Rheo Lancaster 113L R16923(P) 129N
Rheo Polled Gem 2G R14695(P) 129N
Marmac Fergie 16H R14053(P)
Dam: Fergie 2K R16114
Fergie 17F R14734

Birth wt. 85 lbs. C.E 2, B.W. -2, W.G. 46, Milk 6, Y.G. 61. Once again Lancaster produced a stylish, growthy polled daughter. Wynonna at weaning was our heaviest female calf gaining over 3lb's per day without creep. Her ABC's for gain puts her in the top 5% in the breed. Wynonna with her volume will become a great brood cow in any herd. Fully vaccinated with Resvac 4.

Crystal Wynonna 6W

Roseneath Dilma 21A D7201

Maple Brook Pedro 101Y R6266

Dam: Roseneath WRB 30F R147479

BR Miss 67Z R6284

Birth wt. 78 lbs. C.E. 1, B.W. .2, W.G. 47, Milk 6, Y.G. 71.

When you see a horned purebred female in a Select Sale, you know she's a good one. This lady could be the biggest volume Methuselah daughter we own. Check out the spring of rib, fleshing ability and the quiet temperament. When you have a sire like William on both sides of her pedigree you know your getting performance. When you got EPD's of 47 w.g. and 71 y.g. that put's her in the top 5% in the breed. Bred on March 10th to Deebran Elydn which is a Corby son with powerful #'s; putting him in the top 1% for gain and ribeye. Selling this gal could be our biggest mistake to date in the Blonde breed. Exposed to Deebran Eldyn 12S R17640.

SALE FEATURE

Pick of the Herd

Breeder of the TOP EPD Blonde bull in North America, breeder of the first Ontario bred and raised National Champion female, breeder of the TOP Lean Meat Yield bull at Douglas, MB bull test station ('06), and breeder of the TOP blonde bull under the BIO Evaluated system 2002, 2004, 2005, 2006, 2007. Your opportunity to select any animal from our herd by Nov. 30, 2009...Priceless. In 2001, Bill Van Bakel started purchasing a number of bred heifers on a yearly basis from our breeding program. Today, Van Bakel Blondes is recognized as one of the premier herds in Canada. Being the last bidder on this consignment, will be the start of your SUCCESS! Terms are 1/2 on sale day and 1/2 when you make your "PICK".

MBRHEO Blondes, Rheo & Sharon Machina, Clifford ON

50

Pregnant Recipient Semi/Angus X (Tag # 6346) carrying *WSS Petula 13P x Mr. WW Corby 1R embryo*

This is your unique opportunity to purchase some great fullblood genetics from the 1980's. I had the distinct pleasure of working with both parents of the resultant calf. While working at Liahn farms, I worked with Mr. WW Corby until he was 13 years of age. The "old boy" produces deep-bodied, large volume females and scale topping sons! WSS Petula came to our farm at the age of 16 where we flushed her well into her 19th year. If you ever get the chance to talk to Reed Rigney, ask him about Petula. She was Reed's favourite cow in his grandpa "Hugh's" WSS herd. Petula produced many notable females including WSS Alysia, WSS Exquisite, and WSS Ulla. Checked safe to the June 29 implant date, due beginning of April. Both parents of the resultant fullblood calf are 129N.

MBRHEO Blondes, Rheo & Sharon Machina, Clifford ON

51

Pregnant Recipient Semi/Angus X (Tag # 6889) carrying *Rheo Polled Gem 2G x Romarin embryo*

Polled Gem is a polled fullblood daughter of the \$5000 Brydown's Elmo bull. Polled Gem is the dam of Rheo Lancaster who is a multi trait leader for calving ease, birth weight, weaning gain, yearling gain and scrotal circumference. His semen has been sold into Australia and New Zealand. Paul Ferguson has featured a number of Lancaster females in previous association sales. The sire, Romarin, is a fullblood bull that I personally selected from semen available from France. Romarin is a proven calving ease bull with above average carcass traits (indexing 110 or higher) in 6 different categories. Romarin also has a 113 weaning index progeny proof. If you're looking to add a new bloodline to your herd, keep your hand up. This could be the next polled fullblood with outcross trait leading genetics. Checked safe to the June 29 implant date, due beginning of April. Both parents of the resultant fullblood calf are 129N.

MBRHEO Blondes, Rheo & Sharon Machina, Clifford ON

NOTES

TERMS AND CONDITIONS

RIGHTS AND OBLIGATIONS

The terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding on both parties. Animals resold following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

ANNOUNCEMENTS

Announcements from the auction block shall take precedence over printed material in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

BIDDING

Animals will be sold singly or in lots to the highest bidder. Bidding will be carried out in Canadian dollars.

AUCTION

The auctioneer will settle any disputes as to bids and his decision on such matters will be final. The auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with The Ontario Blonde d'Aquitaine Association.

RISK

Cattle are at the buyer's risk as soon as sold but every precaution will be taken for their welfare.

TERMS

The terms of the sale are cash or cheque payable at par at Sale location. The current rate of exchange as of sale day will apply to purchases made by U.S. buyers. Parties unknown to the sales manager desiring to settle by personal cheque should bring a letter of identification from their bankers. The right of property shall not pass until after full settlement is made. The Ontario Blonde d'Aquitaine Association reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any buyer fail to settle for his purchases or having settled defaults in any manner, The Ontario Blonde d'Aquitaine Association reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses incurred shall be payable by the defaulter. All settlements must be made with the clerks of the above sale before any cattle will be released.

SHIPPING

Purchasers are requested to furnish shipping instructions when making settlements.

AGENT ONLY

It is clearly understood that The Ontario Blonde d'Aquitaine Association is acting as intermediary between buyer and seller and is not responsible for any failure by either party to live up to its obligations. Any legal action that may in extreme cases, have to be taken, must be between the buyer and seller and will in no way involve The Ontario Blonde d'Aquitaine Association.

PAPERS

Each animal will carry papers issued by the Canadian Blonde d'Aquitaine Association. Prior certificates issued by the Canadian Blonde d'Aquitaine Association will be furnished in the name of the new owner within six months. Grade animals or announcements from the block excluded, therefore buyers are urged to pay attention to such announcements.

GUARANTEES

BREEDER'S GUARANTEE-BULLS: All bulls, except calves at side are guaranteed breeders. Each bull after reaching the age of fifteen (15) months must be capable of settling seven (7) head or seventy-five (75%) percent of the eligible normal healthy breeding age females, whichever is the lesser of the two, providing he has run with the

females for ninety (90) days. The seller is not responsible for damage caused by foreign bodies nor for sickness not apparent at sale time. No guarantee regarding the freezing ability of a bull's semen is made or implied in the sale of a bull unless covered specifically in a written contract. In the case of a complaint regarding a bull's breeding guarantee, the buyer must report same in writing to the seller, enclosing a report prepared by a licensed veterinarian within six (6) months of the sale date or within six (6) months of the time the bull reaches the age of fifteen (15) months, whichever occurs last. The bull must be returned to the seller in good health at the buyer's expense. The seller may replace the bull with a bull of equal quality or refund the purchase price of the bull, or he may attempt to prove the bull a breeder under the terms set out above within six (6) months of the bull's return. If the bull is proven to be a breeder within the six (6) months provided, the bull shall be returned to the buyer at the buyer's expense. If he is not proven to be a breeder then replacement or refund is mandatory.

BREEDER'S GUARANTEE – FEMALES: Cows represented as being "pregnancy tested safe in calf" have been examined and declared safe by a licensed veterinarian and will be accompanied by a Veterinarian's Certificate to this effect. They are considered breeders without further guarantee. Cows with calves less than six (6) months of age at side shall be considered breeders also without further guarantee. Cows and heifers represented as "bred" are not guaranteed safe in calf but they and open heifers selling as individual lots are guaranteed to be breeders. No guarantee shall apply to suckling calves.

In the event that a female is claimed to be a non-breeder, after having been bred regularly to a bull known to be a breeder and after having been examined by a licensed veterinarian, the matter must be reported in writing to the seller within six (6) months of sale date. For heifers under twelve (12) months of age and purchased as single lots and who fail to conceive to the service of a bull known to be a breeder, the matter must be reported in writing to the seller before the heifer reaches eighteen (18) months of age. The seller shall have six (6) additional months in which to prove any such female a breeder and may use any registered bull of the breed available to him. Any female returned will be at the buyer's risk and must be in good health..

No guarantee is given that a pregnant female will deliver live calves, nor that she will carry the calves full term, nor that the calf carried will not be mummified. The seller is not responsible for damage caused by foreign bodies nor for sickness not apparent at sale time. Should any female be transplanted or given injections for transplant, all guarantees are void.

SETTLEMENT OF GUARANTEES: Transportation charges on animals returned to the seller are for account of the buyer. No incidental expenses such as feed care, A.I. signed fees, interest, veterinary charges, etc. will be charged by either party when making settlement. If the seller is successful in proving the animal in question to be a breeder, then said animal must be reclaimed by the buyer at his expense. Should the seller fail to prove the animal a breeder, then the buyer is guaranteed a satisfactory replacement, F.O.B. ranch or location of origin, or a refund of the actual purchase price paid. In no event shall the seller be responsible for more than the original purchase price. Should a dispute arise over the quality of a replacement animal, The Ontario Blonde d'Aquitaine Association or the Canadian Blonde d'Aquitaine Association will appoint a mediator.

SOLICITING

Promoting the sale of cattle, other than those in the sale is frowned upon and considered an unethical practice during any sale.

ACCIDENTS

Although every precaution will be taken to protect the safety and comfort of buyers, neither The Ontario Blonde d'Aquitaine Association, nor the Auctioneer, nor the Owner assumes any responsibility in these matters and disclaims any liability, legal or otherwise in the event of accident or loss of property.
